

2022 JA Young Enterprise Program CENTRAL REGION

This is to certify that

ADAM ISKANDAR BIN NAZRI

from

SMK PAYA RUMPUT

has participated in operating

SHINER ENTERPRISE

(a Young Enterprise Program Company)

Acquiring basic knowledge of the organization, methods and practice of industry and commerce, together with the skills needed at all levels to operate a successful business.

Understanding the role of the employer and the nature of the mutual obligation that need to exist between workers and employers, in order to promote sound working relationships.

Appreciating the value and worth of creating profit and wealth, in order to provide for the needs of individuals and the community.

Gaining knowledge of the factors and personal qualities (particularly the generation of trust, acceptance of responsibility and the need for good communication) that enable effective teamwork.

Discovering the rewards of personal achievement and greater self-knowledge that come through learning new skills and developing new friendships.
